Dear Mr. Bock:

The Philadelphia Housing Authority requests a hearing during your department's rate increase hearings next week. We plan to make our case for reinstatement of the 25% discount we formerly received.

Our Assistant Executive Director for Administration, Dianne Rosenthal, would present our appeal.

Please contact me by email at kirk.dorn@pha.phila.gov or at 215-684-4112 to apprise us of how to proceed.

Thank you.
